OCTOBER 2021

HELLO

This months newsletter finds us in the closing stages of the Red House Group exhibition 'Please Repeat'. Word on the street by those members who have visited the exhibition in the past few weeks say it's a pretty good show! We have had alot of visitors and all the reviews have been very positive with guests making particular referenceto the diversity of the work on display. Art critique and radio announcer Peter Goers even commented that it was "Fascinating".

With that RHG diversity and talent in mind.....

The next Red House group exhibition titled **New Horizons** will be in honour of founding RHG member Billie Adams who passed away recently. Her family spoke with Denise and relayed how important the RHG was to Billie, and they wanted to do something that would honour both Billie and the connection she had to RHG and Gallery M.

The family explained that Billie would often have discussions with them about the way that artists worked, often relying on techniques they felt most comfortable with. Billie felt that some of the most successful work was created when artists tried something new, a new media, technique, or perhaps tried a collaboration with another artist.

So for this next exhibition we are asking that artists adopt this approach and try something new, a new technique, material, or idea that can create

New Horizons.

We cant wait to see what you all come up with.

There will be a one-off prize for this exhibition awarded to the artwork that best encapsulates the concept of New Horizons. Kindly donated by Billie's friends and family in lieu of floral tributes at her funeral.

**14 JAN - 6 FEB Whole Gallery
New Horizons - Billie Adams Prize.**

RHG MEMBER PROFILE

MEMBER PROFILE

**RHG member no: 1444
Suzanne Gummow**

joined August 2021

Suzanne trained as a Visual Arts Educator lecturing in both secondary & tertiary education. She has been a dedicated teacher for over 50 years & has just recently retired.

Suzanne has also worked as an artist, mainly in art textiles. She has coordinated, lectured, and delivered workshops in schools & adult education centres, judged at shows & is an active member of many textile & art communities. Suzanne is an award winning textile artist & is currently convener of "Dare to Differ", a contemporary quilt exhibition, & FAN (Fibre Artist Network).

Suzanne has exhibited nationally & internationally in group and solo exhibitions. She has been widely published & has written for various magazines in Australia.

The need to explore her thoughts in textiles is a passionate driving force. In 1999 she visited India on an Art Scholarship and was able to study textiles & exhibit her works on India. Suzanne draws inspiration from her love of all things Asian, exotic gardens, vivid landscapes & bold still life.

She manipulates fabrics & threads to realize her own special vision. The excitement of travelling and soaking up the diverse visuals of different cultures results in bold textiles with a rich painterly expression, created by layering, transparency, & the gleam of metal.

Extensive hand & machine embroidery, printing, photographic imaging, fabric collage, applique, piecing, quilting & embellishments are explored to add depth and dimension to her work. She is continually exploring & finding new ways to express her love of textiles.

Creating & teaching; it's a lifestyle she lives and breathes!

SAD NEWS

It was with much sadness that we heard of the passing of Billie Adams on 25 August. Billie was one of the RHG founding members who joined in 1994. She was Foundation Member #1, and had the first stock item in the gallery shop, barcode #1 (leadlight earrings). Billie was an active volunteer at the gallery for many years and her bright and sparkly personality uplifted everyone!

Billie's funeral was held on Monday 6 September and was attended by Ines Patritti on behalf of the RHG.

Our heart-felt condolences go out to Billie's family at this sad time.
